

Spring 2019

April is Child Abuse Prevention Month

Proclamation

April 5th 10AM

Peter Rich Community Center

Please join us as we come together to support efforts to prevent child abuse and neglect. Mayor Jim Paine and Douglas County Board Chair Mark Liebaert will jointly recognize April as Child Abuse Prevention Month in Douglas County. Numerous leaders from our community will speak about the issue of child abuse and the need for strong families and a strong community to create strong children.

In 2018, CASDA's Children's Program...

- ♦ served 66 children who were victims or witnesses of abuse
- ♦ worked with 58 non-offending parents
- ♦ provided education and awareness one or more times in seven different Pre-K-12 schools

In 2018...

- ♦ Local police reported children present during 55 incidents of domestic violence reported to CASDA

"I was really good at blaming myself for what was going on at home." ~Local Teen Survivor of Abuse

Pinwheels for Prevention!

Throughout the month of April, look out around town for CASDA's Children's Program

Sow Seeds of Love

**MORE TO BE
ANNOUNCED!**

Thank you to the Sexual Assault
Coordinated Community Response Team
of Douglas County
for their time, effort and resources.

Presenting CASDA's Spring 2019 Interns

Connor Brandvold is a social work student at University of Minnesota-Duluth and is interning with the Sexual Assault Program. They've dyed their hair every color of the rainbow, and, once, all the colors of the rainbow at one time! Connor says they're most proud of the LGBT training session they developed and facilitated at CASDA.

Jaimi D. is studying criminology and psychology at University of Minnesota-Duluth and is interning in CASDA's Children's Program. She has traveled coast-to-coast across the country and says she is "looking forward to helping those find a voice that don't have one."

Bailey Kinnunen is a legal studies student at University of Wisconsin-Superior, with a criminal justice minor. She is interning with CASDA's Legal Program and would like to be an attorney some day. Along with her demanding academic schedule, Bailey plays both softball and golf for UWS.

Sara Lemon is studying social work at University of Wisconsin-Superior and is interning with CASDA's Domestic Abuse Program. Sara just got a pug named Theodore Francis and is excited to learn about all the different services CASDA provides.

Jovann Mcknight is studying human services at Wisconsin Indianhead Technical College (WITC) and is interning in the Community Engagement Program. He is president of the human services club at WITC and says he's "excited to learn how to be an advocate" during his time at CASDA.

Courtney Remacle is enrolled in the Master of Social Work program at University of Minnesota-Duluth and is interning in CASDA's Emergency Shelter Program. Courtney served two years in Peace Corps South Africa and learned to live without running water, consistent electricity, and with a lot of bugs. Courtney's favorite part of being at CASDA is spending time with the clients.

New Domestic Abuse and Sexual Assault Program Coordinators Join CASDA's Staff

Melissa Hellerud-Storie is the new Domestic Abuse Program Coordinator at CASDA. She loves small woodland creatures and has a pet squirrel named Ruth. Melissa says, "What I like about my work is being able to provide support when people really need it the most." She also says that she's excited about being able to work with other community partners to address the root causes of domestic violence in Douglas County.

Nicole Thole is CASDA's new Sexual Assault Program Coordinator. Nicole says that what people usually notice about her is her highly expressive face! Nicole is excited to work at CASDA because she "has the opportunity to provide individualized support that's understanding of trauma. We don't do anything for people they can't do themselves, but we're able to provide the time and support to help people access the resources they need." Nicole is also excited about doing outreach in the community.

CASDA Works Toward Strategic Goals

CASDA's current strategic plan includes the following three goals, toward which the agency has been diligently working:

- To integrate primary prevention into programming
- To have sustainable financial and human resources, and
- To influence positive social change in our community

One way we are striving to influence positive social change is by developing more accessible services for populations we know we could be reaching more consistently and effectively. First, we are focusing on: 1) **Members of the LGBTQ+ community**, and 2) **Older (60+) adults**.

Educating ourselves about the needs of these groups is a big part of this process, and we are grateful for the **Douglas County Aging and Disabilities Resource Center (ADRC)** for recently bringing its free dementia awareness training program to CASDA to help us improve services to victims and survivors with dementia.

We also extend thanks to all our other local partners who help educate, serve and strengthen both CASDA and the community!

From L to R—Intern Jaimi, Children's Program Coordinator Sherry, Intern Sara, Intern Jovann, Community Engagement Coordinator Jill, Bayfield County Outreach Program Coordinator Kim, Domestic Abuse Program Coordinator Melissa, Sexual Assault Program Coordinator Nicole

A bevy of bedazzled CASDA advocates rang in the New Year at *Behind the Mask*. CASDA Loves Volunteers!

In 2018, **110** volunteers (including interns and Board Members) contributed nearly **4,000 hours** to CASDA.

Volunteers included families, retirees, students of all ages, survivors of abuse and business employees. Volunteers provided services such as: transportation and childcare to help clients access appointments related to their goals for a safer future; fundraising support; assistance with awareness events and more. No matter what their role, volunteers help CASDA reach a greater number of people and serve them more effectively!

National Volunteer Week 2019 takes place APRIL 7-13. If you have volunteered for CASDA in the past year, please accept our deepest thanks!! To explore volunteer opportunities at CASDA, please contact jill@casda.org.
